**ALL PROCEEDS GO TOWARD CORNERSTONE ADDITION PROJECT**

We have outgrown the building we are in, so in order to continue caring for the needs of our community, we will need to add more space. The need is for more seating, more parking, and more space for the kids. We're prioritizing the space for the kids at the same time that we are also going to attempt to provide some space for the other two areas of need.

We are hosting a Harvest Celebration to fundraise for the building project. Everyone is invited to purchase a ticket which includes, a meal, a word from a keynote speaker, our silent auction & an opportunity to connect with the community.
