

MASTER PLAN

A BUILDING ADDITION PROGRAM FOR CORNERSTONE COMMUNITY CHURCH

BUILDING A COMMUNITY OF CHRIST-FOLLOWERS.

MISSION

Know Christ,
Teach Truth,
Live Grace,
Love People,
& Pray Faithfully

“Unless the Lord builds the house,
those who build it labor in vain...”
Psalms 127:1

In Psalm 127 we are reminded that "Unless the Lord builds the house, they labor in vain who build it" This truth is important to every part of Cornerstone. We began in 2016 with no money, no people, no supporting church, no education, and no building. God has been faithful to provide all of those areas to us as we have trusted Him to build His church. He really is the Master Builder!

We have grown to the point that we must have more space. Again, we realize the gap between our resources and our need, so we are trusting our Master Builder to provide through the generosity of His people.

In simple faith, we believe that God is our Provider and that this is simply a step in a bigger story that he is writing with the people of Cornerstone Church. The plan is simple; we will serve the needs of those around us, obey the leading of the Holy Spirit, and Christ will build His church.

WHERE WE'VE BEEN

Library 2015

We met in a room in the library for several months to pray and consider what our next steps were as a church.

Middle School 2016-2019

In the fall of 2016 we started meeting setup & tear down in a middle school. God grew our faith during this process.

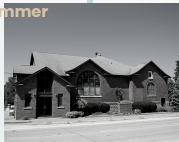

Rec Center Summer of 2017

During the summer the middle school wasn't available. This led to us meeting in the old YMCA. Later we helped tear down that same YMCA.

Baptist Church 2018 Summer

The summer of 2018 Cornerstone met at the Baptist church in town on Saturday evenings.

FOLLOWING THE MASTER PLAN

Current Building

Cornerstone prayed and fasted for a while with the need of a building. We looked at buying, renting, building but nothing seemed to work. Then in the year 2019 we were gifted with a church building free of charge.

Addition 2022-2023

God has blessed us in so many areas over the years. We are now in the chapter of expanding our building for the sake of more KID rooms and more space for people.

WHAT'S NEXT

We have outgrown the building we are in, so in order to continue caring for the needs of our community, we will need to add more space. The need is for more space for kids, seating, and more parking. We're prioritizing the space for the kids at the same time that we are also going to attempt to provide some space for the other two areas of need.

Why is it needed?

What is the plan?

The plan is to add five classrooms and a bathroom for, the kids, to the north of the current building. One of the classrooms will be the nursery for the youngest children and because the current mother's room will be converted to a hallway, one of those rooms will become the new mother's room.

There will be 32 feet added to the west wall of the auditorium to enlarge the seating space. This will add around 150 possible seats to the seating space.

There has been a new parking area recently added to the northeast corner of the parking lot, near the sign.

YOUR PLANS

Your Plans are projects that the people of Cornerstone have started in hopes to raise the funds for a building addition. These smaller projects are put on by the individuals mentioned. You can contact them directly with any questions about any particular project. If you have a project that you would like to start, please contact Sarah Stoutner sarah@cornerstonekalona.com

OUR PLANS

Our Plans are the projects that the church of Cornerstone will put on.

These projects are open to the community and open for anyone to help. If you have an idea for Our Plans project, please contact Sarah Stoutner.

"Unless the Lord builds the house,
those who build it labor in vain..."
Psalms 127:1

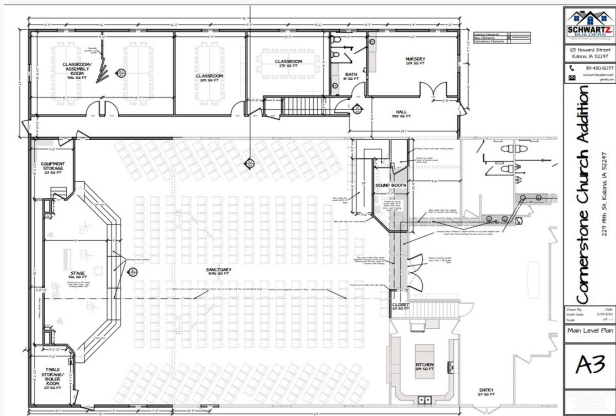

FAITH COMMITMENT

We are asking for faith commitments as indicators of how quickly we can expect the funds to come through for the building project. This is money that can be expected over and above the regular tithes.

This requires trusting God to provide and a willingness to make some financial sacrifices.
